PAINT REQUIREMENTS

WATER BASED EXTERIOR LATEX paint is the only type of paint that can be used. Students will also need to leave a **four-inch** unpainted border between the white parking space lines and the paint in their parking spot. Please use blue painters' tape to ensure this border is accomplished. Consider sharing paint with other students. All paint will be the responsibility of the student.

SUGGESTED MATERIALS, TIPS AND HINTS

- Water based exterior latex paint/primer paint/base coat for concrete. Home Improvement stores (ACE Hardware, Lowe's, Home Depot or Sherwin Williams) may be able to assist.
- Chalk to sketch design the day of painting
- Paint brushes and/or paint rollers
- Paint roller extension
- Paint tray/liner and plastic containers for water, paint and brushes
- Blue painter's tape (4 inches wide)
- Plastic drop cloth to put under paint cans/tray
- Broom to sweep spot before painting
- Old cloths or paper towels
- Garbage bags for trash
- Sunshade/popup tent for shade, sunscreen, umbrellas, sunglasses, hats, water.
- Lawn chairs, stool or towel to sit on
- Friends and/or family to assist

WHAT TO BRING TO PAINTING PARTY

Be sure to bring your approved design/sketches with you on paint day. Also, you will be responsible for all paint brushes, rollers, paint pans and paint tape. A broom to sweep off your spot before painting will save you lots of time. You will want to bring lawn chairs for your entire family, a canopy or umbrella, sunscreen, drinks, stencils, rags for cleaning, sacks or bags to dispose of trash, a drop cloth and paint cloths. This will be a really fun activity for FRIENDS and your entire family, and we hope to make this a great memorable tradition for all Seniors for years to follow.
